January 5, 2008

Dear Sir,

It is our pleasure in informing that in continuation of our previous catalogue shows, this Consulate General is planning to organize three "**Catalogue Show of Indian Companies**" in **Gizan, Tabuk** and **Taif**, Saudi Arabia, during the month of February, 2008. Previous shows conducted at Jeddah, Yanbu, Najran and Abha witnessed a very encouraging response from Saudi business community. The main aim of conducting these shows, is to further cement the bilateral trade relation between India and Saudi Arabia and to showcase the vast trade potential of our country among Saudi business community.

As you are aware, Saudi economy is sound due to high oil prices in world market and the mental set-up of business community is looking east specifically towards India after the historic visit of His Majesty King Abdullah Bin Abdulaziz Al-Saud to India on January, 2005. Agreement of Avoidance of Double Taxation & Investment Promotion which was signed between two countries during the royal visit, had further strengthened bilateral economic interaction between two countries.

In view of the above you are requested to give **wide publicity** to the proposed shows among your members and request them to send directly a good number of brochures / catalogues and CDs of their firm's profile on **urgent basis** to the undersigned at the address given below:-
