\* Ministry's permission is awaited

\*\* At Asia World Expo Convention Center

Abbrv: JP - India Joint Participation / Prtl: Council's Promotional Booth

These exhibitions / Show Windows are chosen based on Council's overall objective of promoting the gems & jewellery items abroad and the recent endeavour taken by the Council to break into newer markets worldwide.

These exhibitions / Show Windows are ideal opportunities for the gems and jewellery exporters to develop business in various countries and to display their product range to the trade buyers / visitors from all over the world. To ensure prominence and strengthen the quality of participation, the Council would provide the required support for high quality display arrangements and pre-exhibition publicity. The Council would also take the support of the Indian Embassies / High Commissions, Trade Associations / Chambers of Commerce in these countries for better visibility and support for the Indian Pavilions. It is envisaged that participation in each of these exhibitions would be around 20-25 stalls or 40-100 stalls in case of Basel, JCK, Jewellery Arabia & etc. The number of stalls may increase or decrease depending on the response from members for any particular exhibition and area allotted to the Council by the Organizers of the exhibitions.

Members are invited to take the full and unique advantage of these international exhibitions by booking for stalls at the India Pavilion under the joint participation scheme of the Council. **Please indicate your interest for participation in these exhibitions by filling up and returning the attached space application form duly filled and signed along with the necessary deposit as per your space requirement, per exhibition (clearly indicating which exhibition the payment is made for) as "on account payment" in favour of The Gem & Jewellery Export Promotion Council latest by October 31, 2006.**

**You are requested to go through the rules and regulations for participation at the India Pavilion, as described overleaf of the Space Application form, carefully before submitting the application.**

The Council would screen the applications as per the norms of selection set up, and the members thus selected for each exhibition will be informed in due course. The decision of the Council in selection of exhibitors for any of these shows is final and binding.

Thanking you.

Yours faithfully,

**ARVIND PRADHAN**

Executive Director

Encl.: as above
