Messages from Chairman, Convener of SEZ Sub Committee and ED.

“ Our vision is to develop the SEZs model in such a manner that ensures India becomes a marketplace for the world in the gems and jewellery sector through the growth and development of the SEZs in the country. ”

Mr. Colin Shah
Chairman
GJEPC

“ India's gem and jewellery units in SEZs carry a great level of manufacturing prowess including high end technology and designing capabilities, highly skilled human resource and state of the art of infrastructure for producing wide range of gem and jewellery product including studded gold jewellery, coloured gemstones , silver jewellery that cater to the demand of the world market. ”

Mr. Suvankar Sen
Convener
SEZ Sub-Committee

“ SEZs spanned across the different locations of the country are home to over 500 gem and jewellery manufacturing units which are exporting numerous gem and jewellery products amounting to US\$10.62 constituting for around 30% of the country's total gem and jewellery exports. It makes the SEZ model catalyst to the growth of the gems and jewellery sector and the Indian economy ”

GJEPC frequently and aggressively represents the SEZ /G&J sector requirements to the government so as to enhance Ease of Doing Business for the overall sector. Few of the key issues which have been representing to the Government along with their status as on 30th September are described here below :

S.No	Issues	Update
1	Transfer of Property & Assets by SEZ Units after the cancellation of their LoA.	<i>The said matter has been resolved with the release of vide notification No. No. K-43014(20)/2/2019-SEZ dated 11th October 2021, the Department of Commerce, Ministry of Commerce, and Industries has notified the alternate mechanism of transfer of space by existing units under Rule 74 of the SEZ rules, 2006</i>
2	Reverse Job Work Policy	A high-level meeting of Revenue and Commerce Secretary has been held in this regard and the decision is awaited.
3	Increase of time limit for return of Gems & Jewellery items to units in SEZ after job work in DTA	It is proposed that the items of Gems and Jewellery taken outside the Special Economic Zone for sub-contracting should be allowed for 90 days as per the provisions prescribed in the Handbook of Procedures for the time for exports after taking delivery of gold from nominated agencies.
4	Levy of duty on goods re-imported by SEZ units after the lapse of 365 days which were earlier exported for display/ consignment.	The matter had been represented to SEZ Division and DGEP and it is resolved .
5	Supply of precious metals from foreign buyer to SEZ units, Non-availability of precious and other metals like Gold, Silver, Platinum, Palladium, GPC, etc. units to take supply from foreign buyers.	The matter has been taken up with DGEP and it is under process. MoC had asked for comments from SEEPZ, Cochin, and Noida on this issue and they are awaiting comments from Cochin SEZ. File put up to Member Custom for approval.
6	Procuring supplies of precious metal (gold/ silver) is difficult within SEZ -I, Jaipur, and Procuring precious metal from DTA is costly	The matter had been represented to the SEZ division of MoC &I seeking comments from the DGEP and awaiting a recommendation from the nominated agency. DGEP has clarified On 14.09.2021, there appears no provision which bars or puts conditions for such supply.
7	Diamonds to be imported free of Payment in SEEPZ	The said provision was allowed earlier, Commerce secretary has asked to give representation to DC as this is a procedural issue that may be resolved.
